SSC	Akol High School , Akol	Karntak S.S.L.C Board	85.12%	2014

Technical Projects :

Customised Virtual File System :

Technology: C Programming

Description:

- This project replicates Linux file system functionalities using a custom shell for system commands and file management. It implements essential file system data structures such as Incore Inode Table, File Table, UAREA, and User File Descriptor Table, allowing system-level operations across different platforms.

Chat messenger with log facility:

Technology: Java Programming

Description:

- This project provides the chatting facility for pear to pear communication.
- We use java socket programming to perform the text based chatting.
- We also maintain the log which contains all the chatting details with the periodic fashion.
- This application is platform & architecture independent.

Certificates:

Java Programming – Great Learning

DataBase Management System- Great Learning

Git and GitHub- Codeacademy

Learn Command Line- Codeacademy

Technical Skills :

Junior Java Full Stack Development training offered by Generation India and Vinsys IT Service.

Programming Languages :

Procedural language :	C Programming
Object Oriented Programming :	C++ Programming
Virtual Machine based Programming :	Java Programming
Scripting language :	PHP, JavaScript

Web Technologies:	HTML/HTML5,CSS2/CSS3.
IDE & Tools:	Visual studio Code, Sublime, IntelliJ
Web Servers:	Apache Tomcat 8.0.22.
Version Control:	GIT, Perforce, CVS, SVN
Database:	MySQL
System:	Windows NT, Linux Distributions
Testing techniques :	Unit testing.

Strengths:

- Strong problem-solving and analytical skills
- Adaptability to new technologies and tools
- Proactive in teamwork and communication

Weaknesses:

- Working on building confidence in group settings.
- Improving public speaking skills through practice.
- Focusing on becoming more vocal in team discussions.

Hobbies:

- Solving Coding Challenges.
- Learning New Technologies.
- Building Personal Projects.

Conclusion:

A motivated and dedicated individual with strong technical and problem-solving skills, eager to continuously learn and contribute to a dynamic team environment. Actively working on improving communication and leadership abilities to become a well-rounded professional in the tech industry.
